CHAPTER 2 - LEASE PROPOSAL FORMAT

Any request for information by the DNRC to the proponent is solely for the purpose of selecting a proposal and understanding its terms. Such a request shall not be considered to constitute a binding agreement or commitment by the DNRC in any manner. 2.5 Compensation Paid to State (Lease Rental)

The proponent must detail the planned compensation to DNRC for lease of the individual lot(s) involved, including the planned terms for rate escalation and other types of payments. Escalation may be in the form of an annual increase of no less than **3%** of the previous year's rental payment as a base or a periodic rate adjustment based on appraised value. **Proposed lease payments to the State must be itemized for each year in the lease, including escalation.**

According to Administrative Rules of Montana ARM 36.25.110, there will be at least one market adjustment of the property, and in the case of long-term leases, such as 99 years, there may be two or three market adjustments.

A \$10,000 per lot lease reclamation and marketing fee is part of the standard lease and is non negotiable.

The advertised lease rates for the individual lots are as follows:

<u>Lot Number</u>	<u>Acres</u>	<u>Square Feet</u>	<u>Annual Base Lease Rental</u>
Block 2 Lot 1	5.824	253,693.44	\$43,765.00

DNRC will consider lease proposals that involve different lot configurations than currently exist. A proposal that realigns the current lot configuration should provide a detailed description of the proposed change. The description should show the new configurations size (square feet) and the proposed compensation. Any reconfiguration of lots will be subject to approval and conditions established by the City of Bozeman. **DNRC reserves the right to reject any and all bids if the proposed rental is not in the best interest of the State and Trust Beneficiaries, and the right to negotiate the terms of the final lease agreement with the proponent selected for the site.**

In addition to rental fees, the lessee of each of these lots will be responsible for the payment of all City of Bozeman assessments on the leased property. 1.2 Exhibits. The Exhibits listed below are attached to and incorporated in this Lease. In the event of any inconsistency between such Exhibits and the terms and provisions of this Lease, the terms and provisions of the Exhibits will control. The Exhibits to this Lease are:

- A. Legal description of the land
- B. Rental schedule
- C. Utility and road infrastructure
- D. Ground lessor nondisturbance and attornment agreement

2. LEASE TERM.

2.1 Lease. Subject to the terms, covenants, conditions and provisions of this Lease, Lessor leases to Lessee and Lessee leases from Lessor the Premises for the Term of YEARS (XX) years.

2.2 Lessee's Renewal Option. Subject to the terms and provisions of this Section 2.2, Lessee, at its option, may extend the Term of this Lease for additional 10-year terms, collectively, the "Renewal Terms") provided, however, that in no event shall the Term be extended by the last of such Renewal Terms to a date that is XX years after the Commencement Date. To exercise each such option, Lessee must deliver notice of the exercise thereof to Lessor no later than 120 days prior to the expiration of (a) the initial Term as described in section 2.1, in the case of Lessee's option with respect to the first Renewal Term, or (b) the Term as extended by the previously exercised Renewal Term. Should Lessee fail to give said timely notice, and Lessor gives notice to Lessee that the lease is therefore terminated, Lessee shall have thirty days to cure notice provision and to exercise extension option.

2.3 Lessor and Lessee Covenants. Lessor covenants to observe and perform all of the terms, covenants and conditions applicable to Lessor in this Lease. Lessee covenants to pay the Rent when due, and to observe and perform all of the terms, covenants and conditions applicable to Lessee in this Lease.

2.4 Quiet Enjoyment. Lessor covenants that during the Term Lessee will have quiet and peaceful possession of the Premises, subject only to the terms and conditions of this Lease.

2.5 Condition of Premises. Except as expressly set forth in this Lease, Lessee accepts possession of the Premises on the Commencement Date in their then-current condition on an "AS IS, WHERE IS AND WITH ALL FAULTS" basis.

2.6 Entitlements Condition Precedent. Lessee will have from the Commencement Date until February 28, 2009 OR a period not to exceed one year (the "Contingency Period"), to try to obtain all governmental and quasi-governmental approvals and permits necessary for Lessee's development of the Land and Improvements in a manner acceptable to Lessee, with Lessor approval, including, without limitation, all governmental and quasi-governmental land use and other approvals and permits, required to permit Lessee to commence construction of the project on the Land (the "Approvals") (collectively, the "Entitlements Contingency"). Lessee's right hereunder will include, without limitation, the right to enter upon the Land and to have made, at Lessee's expense, any plans for the Land and as Lessee may deem necessary or appropriate. Lessee will indemnify, defend and hold Lessor harmless from any expenses, damages and liabilities, including reasonable attorneys' fees, that Lessor may suffer or incur arising out of any claims for property damage, personal injury or claims from materialmen or laborers which arise from Lessee's activities under this Section. Lessor agrees to cooperate fully with Lessee to enable Lessee to satisfy the Entitlements Contingency. If on or before the expiration of the Contingency Period, (a) Lessee gives Lessor written notice setting forth Lessee's inability to obtain the Approvals in a manner consistent with the terms and conditions of this lease or (b) Lessee fails to deliver a written notice to Lessor indicating that Lessee has obtained Approvals or otherwise waiving the Entitlements Contingency, then this Lease shall,

after Lessor's proper notice to Lessee and Lessee's ability to cure pursuant to the provisions of Section 15, terminate, the Security Deposit shall be retained by Lessor and both parties shall be relieved from any further liability hereunder, except for any liabilities and obligations which by their terms survive any termination of this Lease. If Lessee does not terminate this Lease as described in the preceding sentence, then this Lease shall remain in full force and effect in accordance with its terms. If Lessee terminates this Lease pursuant to this Section, then, as consideration for the investigation privileges afforded to Lessee by Lessor hereunder, Lessee will return to Lessor any and all of the materials delivered to Lessee pursuant to Section 2.5 and copies of all studies, inspection reports and similar matters in Lessee's possession concerning the Premises and obtained or prepared by Lessee during the Contingency Period. Notwithstanding the foregoing, Lessee will not be obligated to return or provide Lessor with copies of any of the foregoing items that constitute attorney work product or that are subject to attorney-client privilege or subject to third-party agreements containing clauses prohibiting the delivery of the same to Lessor.

3. RENT.

3.1 Base Rent. Commencing on the Commencement Date, then throughout the Term, Lessee agrees to pay Lessor, without deduction or offset of any kind or prior notice or demand, according to the following provisions. Base Rent during each Lease Year will be payable annually in an amount equal to the annual amount specified for such Lease Year, in advance, on or before the first day of March. However, if the Base Rent Commencement Date is not the first day of a month or the Term ends on other than the last day of a month, Base Rent for such month will be appropriately prorated based on the number of days in such month and the applicable payment will correspondingly be appropriately prorated. All rent will be calculated according to the Rental Schedule, Exhibit B.

3.2 Terms of Payment. All Rent will be paid to Lessor in lawful money of the United States of America, at Lessor's Address, without notice or demand and without right of deduction, abatement or setoff, or to such other person or at such other place as Lessor may from time to time designate by written notice to Lessee. Lessee hereby acknowledges that late payment by Lessee to Lessor of Rent will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, **if any installment of Rent shall not be received by Lessor within 10 days after such amount is due, then, without further notice, Lessee shall pay to Lessor a late charge equal to 10% of the overdue amount.** The parties hereby agree that such late charges represent a fair and reasonable estimate of the cost that Lessor will incur by reason of the late payment by Lessee.

3.3 Net Lease; Additional Rent. It is the intent of the parties that the Base Rent provided in this Lease will be a net payment to Lessor and that, except as expressly provided in this Lease, Lessor will not be required to pay any costs or expenses or provide any services in connection with the Premises and Lessee will bear all costs and expenses relating to the Premises, unless the same arise from Lessor's gross negligence, willful misconduct or breach of this Lease or other legal duty. Accordingly, Lessee covenants and agrees to pay, in addition to Base Rent, as additional Rent, but subject to the foregoing and the other provisions of this Lease, all costs and expenses relating to the Premises which accrue during or are allocable to the Term, including, without limitation: (a) the entire cost of designing, constructing or altering the

Improvements; (b) insurance costs; (c) taxes; (d) utility charges; and (e) maintenance and repair expenses and responsibilities, as provided in this Lease.

4. IMPROVEMENTS AND ALTERATIONS.

4.1 Lessor's Approvals Under Lease. Lessor has the right to review or approve matters relating to the development, operation, maintenance, repair, replacement or modification of the Premises by Lessee or the installation, construction, change or alteration of, addition to or removal or demolition of, any Improvements, or the use or enjoyment of the Premises, or any Major Amendment thereto. For purposes of this Section 4.1, "Major Amendment" means an amendment that requires (by applicable Laws in effect as of the Commencement Date) an official vote by the County Commissioners of Gallatin County, Montana (the "Commissioners") or, if the Commissioners delegate or are required to delegate by Laws its authority to a commission or other governmental or quasi-governmental authority, an amendment that would have required an official vote by the Commissioners as of the Commencement Date. Any approval of Lessor hereunder will not be unreasonably withheld, conditioned or delayed.

4.2 Improvements and Alterations. Subject to the terms and conditions of Section 4.1, Lessee, may at any time and from time to time during the Term, with the consent or approval from Lessor (except as provided in Section 4.1), cause or permit any Buildings, structures, utilities, roadways or other Improvements to be installed or constructed on, over, under or across the Land or any part thereof and may cause or permit any Improvements now or later installed or constructed on the Land to be changed, altered, added to or removed or demolished in whole or in part. Lessee will provide Lessor notice of the commencement of any of the work set forth in the preceding sentence at least 10 business days before the commencement of the same. Lessee will pay all costs and expenses arising out of the installation, construction, change or alteration of, addition to or removal or demolition of, any Improvements by Lessee and will cause all Improvements to be installed, constructed, changed, altered, added to, removed or demolished in accordance with applicable Laws. Lessor will have the right to post notices of non-responsibility or similar notices on the Premises in order to protect the Premises against any liens resulting from such work. Upon completion of the initial Improvements for the Premises or thereafter at the same time as the **COUNTY NAME** County may require the same, Lessee shall deliver to Lessor an engineer's certificate for the Premises and an "as-built" survey of the Premises as soon as reasonably practicable.

4.3 Governmental Approvals and Permits. Subject to the terms and conditions of Section 4.1, Lessee will have the right to apply for and secure, in Lessor's name if necessary, such governmental approvals, permits or other authorizations (including, without limitation, rezonings, master or final site plans, subdivision or P.U.D. plats and agreements, building permits, grading permits, sign permits and certificates of occupancy) as may be necessary or appropriate in connection with the development of the Premises or the installation, construction, change or alteration of, addition to or removal or demolition of, any Improvements, or the use or enjoyment of the Premises. Lessor will fully cooperate with Lessee's efforts to obtain such approvals, permits and other authorizations, including, without limitation, the execution by Lessor of any and all required submissions or applications within 10 days after Lessee submits the same to Lessor. Without limitation on Lessor's obligations set forth above, Lessor may agree to execute a revocable power of attorney appointing Lessee as its true and lawful attorney-in-fact

to execute and deliver any such instruments and documents in Lessor's name or Lessee's name or otherwise, consistent with the terms, conditions, and restrictions set out in this Lease. The Lessor, in its sole discretion, shall decide whether such a Power of Attorney shall be issued and shall decide its term. In any event, any such Power of Attorney shall terminate upon the expiration or termination of the Term of this Lease.

4.4 Signage. Subject to the terms and conditions of Section 4.1, Lessee may establish and from time to time modify a set of standard sign criteria for the purpose of regulating signage on the Premises, provided that all such signage complies with all applicable Laws.

4.5 Title to Improvements. During the Term, Lessee or its designated Sublessees will be deemed to own, and will hold title to, all Improvements and will be entitled to all depreciation deductions, investment tax credits, deductions for taxes and any other tax advantages resulting from the ownership of the Improvements, subject to the Lessor's reversionary interest upon the expiration or termination of the Lease. On the expiration or earlier termination of the Term: (a) title to all Improvements then held by Lessee, except moveable personal property not constituting fixtures, will automatically vest in Lessor without representation or warranty per Montana Code Annotated 77-1-906 (2); and (b) title to all Improvements then held by any Sublessee will remain in such Sublessee until the expiration or earlier termination of the term of such Sublessee's Sublease, at which time title to such Improvements will automatically vest in Lessor without representation or warranty.

4.6 Utility and Road Infrastructure. Lessee will install water and sewer, electric and telephone lines, natural gas lines, and roads, depicted on and in accordance with **Exhibit C** attached hereto. Accordingly, notwithstanding anything contained in this Lease to the contrary, Lessee hereby agrees that Lessor shall have the right to connect into the Utility Lines and roads without any requirement to reimburse Lessee for Lessee's original construction costs and expenses of the Utility Lines and roads; provided, however, that in the event that it is necessary to increase the size and capacity of the Utility Lines or change the location, manhole frequency, depth or construction method of the same (whether at the time of Lessee's original construction or at a later date) (collectively, the "Required Changes") to accommodate Lessor's extension of the Utility Lines to the Adjacent Property, Lessor shall be responsible for all costs and expenses associated with the Required Changes. Lessor agrees to use best efforts to minimize any interference or damage to the Premises during Lessor's extension of the Utility Lines to the Adjacent Property. Lessor also agrees to immediately pay for any and all damages to the Premises caused by Lessor's extension of the Utility Lines to the Adjacent Property. Last, Lessee agrees, at Lessor's cost, to reasonably cooperate with Lessor in creating the necessary easements for Lessor's extension of the Utility Lines to the Adjacent Property.

5. USE AND OCCUPANCY.

5.1 Use. Subject to the requirements of Section 4.1, Lessee may make use of the Premises for any and all lawful uses and purposes that are consistent with applicable Laws. Lessee shall maintain the Premises in a clean, orderly and neat fashion, ordinary wear and tear and damage by casualty and condemnation excepted. Lessee shall keep the Premises in good repair and shall not commit waste or permit impairment or deterioration of the Premises, ordinary wear and tear and damage by casualty and condemnation excepted.

5.2 Compliance. Lessee will comply with all Laws applicable to Lessee's use and occupancy of the Premises and will keep and maintain the Premises in compliance with all applicable Laws. Lessee covenants and agrees that Lessee will not modify any document encumbering the Land that will (a) cause Lessee to be in violation of the terms of this Lease, and/or (b) materially increase the financial obligations of Lessor that exist in the documents encumbering the Land as of the date of execution of this Lease. Lessee will have the right, however, to contest or challenge by appropriate proceedings the enforceability of any Law (and the ECCR) or its applicability to the Premises or Lessee's use or occupancy thereof provided that Lessee complies with such Law during the pendency of Lessee's contest or challenge of it, so long as Lessee diligently prosecutes the contest or challenge to completion and, in the event Lessee loses the contest or challenge, thereafter continues to abide by and conform to such Law. Lessor and Lessee shall reasonably cooperate with one another and shall in no event attempt to hinder the other's efforts or take a position adverse to one another and their rights under this Lease. Lessee agrees to defend (with attorneys reasonably satisfactory to Lessor), protect, indemnify and hold harmless Lessor and its Affiliates from and against any and all liabilities, obligations, losses, damages (including foreseeable and unforeseeable damages, but excluding consequential damages and punitive damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) of any kind or nature whatsoever that may at any time be incurred by, imposed on or asserted against any of them directly or indirectly based on, or arising or resulting from Lessor joining in any contest pursuant to this Section 5.2. Notwithstanding anything contained in this Lease to the contrary, Lessor and Lessee specifically acknowledge and agree that this Lease is subject to the further provisions of Title 77 of the Montana Code Annotated. The Lessee agrees to comply with all applicable laws, rules, and regulations in effect upon the Commencement Date of this Lease and those laws, rules, and regulations which may be enacted or adopted thereafter from time to time and which do not impair or impede the obligations of this Lease and which do not deprive the Lessee of an existing property right recognized by law.

5.3 Environmental Matters.

- Compliance with Environmental Laws. Unless notice to the contrary is given to the Lessor by the Lessee, prior to the Commencement Date, the Lessee hereby acknowledges and agrees that no Toxic or Hazardous Substances within the definition of CECRA exist on the Land. Further, the Lessee agrees as follows:

- Lessee will (A) comply with all Environmental Laws applicable to the operation or use of the Premises by Lessee or the construction, installation, alteration or demolition of any Improvements by Lessee; (B) use reasonable efforts to cause all Sublessees and other persons occupying the Premises to comply with all Environmental Laws; (C) immediately pay or cause to be paid all costs and expenses incurred in such compliance; and (D) keep or cause the Premises to be kept free and clear of any liens imposed thereon pursuant to any Environmental Laws.

- Lessee will not generate, use, treat, store, Release or dispose of, or permit the generation, use, treatment, storage, Release or disposal of, any Hazardous Substances on the Premises, or transport or permit the transportation of

any Hazardous Substances to or from the Premises, in each case in any quantity or manner which violates any Environmental Law.

- If Lessor has knowledge of any pending or threatened Environmental Claim against Lessee or the Premises or has reason to believe that Lessee or the Premises are in violation of any Environmental Law, at Lessor's written request, at any time and from time to time, Lessee will provide to Lessor an environmental site assessment report concerning the Premises, prepared by an environmental consulting firm reasonably approved by Lessor, indicating the presence or absence of Hazardous Substances and the potential cost of any removal or remedial action in connection with any Hazardous Substances on the Premises. Any such environmental site assessment report will be conducted at Lessee's sole cost and expense. If Lessee fails to deliver to Lessor any such environmental site assessment report within 90 days after being requested to do so by Lessor pursuant to this Section 5.3(a)(iii), Lessor may obtain the same, and Lessee hereby grants to Lessor and its agents access to the Premises and specifically grants to Lessor an irrevocable non-exclusive license to undertake such an assessment, and the cost of such assessment (together with interest thereon at the Default Rate) will be payable by Lessee on demand.

- Lessor may, at its option, at any time and from time to time, obtain at its sole cost and expense an environmental site assessment report for the Premises, and Lessee hereby grants to Lessor and its agents access to the Premises and specifically grants to Lessor an irrevocable non-exclusive license to undertake such an assessment.

- At its sole expense, Lessee will conduct any investigation, study, sampling or testing, and undertake any cleanup, removal, remedial or other action necessary to remove and clean up all Hazardous Substances from the Premises which must be so removed or cleaned up in accordance with the requirements of any applicable Environmental Laws, to the reasonable satisfaction of a professional environmental consultant selected by Lessor, and in accordance with all such requirements and with orders and directives of all governmental authorities.

- Indemnity. Lessee agrees to defend (with attorneys reasonably satisfactory to Lessor), protect, indemnify and hold harmless Lessor and its Affiliates from and against any and all liabilities, obligations (including removal and remedial actions), losses, damages (including foreseeable and unforeseeable damages, but excluding punitive damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) of any kind or nature whatsoever that may at any time be incurred by, imposed on or asserted against any of them directly or indirectly based on, or arising or resulting, in whole or in part, from: (i) the actual or alleged presence of Hazardous Substances on the Premises Released by Lessee or anyone acting by, through or under Lessee in any quantity or manner which violates Environmental Law, or the removal, handling, transportation, disposal or storage of such Hazardous Substances by Lessee or

anyone acting by, through or under Lessee; or (ii) any Environmental Claim with respect to Lessee or the Premises resulting from a Release by Lessee or anyone acting by, through or under Lessee (collectively, the “Indemnified Matters”), regardless of when such Indemnified Matters arise, but excluding any Indemnified Matter with respect to Hazardous Substances first placed or Released on the Premises after the later of (A) the expiration or earlier termination of this Lease, or (B) the date neither Lessee nor any of its Affiliates holds title to or any other interest in or lien on the Premises.

- Survival. Lessee’s remedial, indemnification and reimbursement obligations under this Section 5.3 will survive the expiration or earlier termination of this Lease.

6. UTILITIES AND REPAIRS.

6.1 Utilities. Lessee will pay before delinquency all water, sewer, natural gas, electricity, telephone and any other utility charges related to the Premises including, without limitation, those which, if not paid, may be asserted as a lien or charge against the Premises under applicable Laws.

6.2 Repairs. Lessee will maintain, repair, replace and keep any Improvements or landscaping on the Land from time to time in reasonably good condition and repair in accordance with all applicable Laws, including necessary repairs to the interior, exterior and structure of any Buildings, mowing of grass and care of shrubs and general landscaping; pay all costs and expenses in connection therewith (subject to Section 14.2); and contract for the same in Lessee’s own name. The foregoing will not be construed to limit Lessee’s rights under Section 4.2.

7. TAXES.

7.1 Payment of Taxes. Subject to Section 7.4, Lessee will pay before delinquency, directly to the taxing authority, all Taxes that accrue during or are attributable to any part of the Term including Privilege taxes, also known as beneficial use taxes, per MCA 15-24-1203. Lessee will deliver to Lessor reasonable evidence of payment of all Taxes within 60 days after Lessee pays all Taxes.

7.2 Proration at Beginning and End of Term. If the Term begins on other than the first day of a Tax Year or if the Term expires or otherwise terminates on other than the last day of a Tax Year, Taxes for the Tax Year in which the Term begins or ends, as the case may be, will be prorated between Lessor and Lessee, based on the most recent levy and most recent assessment. Such proration will be subsequently adjusted when the actual bills become available for Taxes for the Tax Year for which Taxes were prorated. Any Taxes payable in the first Lease Year prior to the Commencement Date shall be the sole responsibility of Lessor.

7.3 Special Assessments. Lessee will pay all special assessments (including those attributable to private extension agreement) and other like impositions levied or imposed for improvements commenced, installed and assessed during the Term; provided, however, that Lessee may pay in installments any such special assessments or like impositions that may be so

paid according to applicable Law and, in such event, Lessee will only be required to pay those installments of any such assessments or impositions that become due and payable during the Term.

7.4 Tax Contests. Lessee will have the right to contest any Taxes or special assessments payable by Lessee, provided Lessee (a) provides Lessor with written notice of such contest, and (b) makes timely payment of the contested Taxes or special assessments if the Lessee loses the contest. In connection with any such contest, Lessee will have the right, at its sole expense, to institute and prosecute, in good faith and with due diligence and in Lessor's name if necessary, any appropriate proceedings. Lessor may, at Lessee's expense, reasonably cooperate with and join in Lessee's efforts to contest any such Taxes or special assessments. Lessee agrees to defend (with attorneys reasonably satisfactory to Lessor), protect, indemnify and hold harmless Lessor and its Affiliates from and against any and all liabilities, obligations, losses, damages (including foreseeable and unforeseeable damages, but excluding consequential damages and punitive damages), penalties, actions, judgments, suits, claims, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) of any kind or nature whatsoever that may at any time be incurred by, imposed on or asserted against any of them directly or indirectly based on, or arising or resulting from Lessor joining in any contest pursuant to this Section 7.4.

8. WAIVERS AND INDEMNITIES; LIABILITY AND CASUALTY INSURANCE.

8.1 Lessor's Waiver. Except to the extent caused by the willful or negligent act or omission by the Lessee or anyone for whom Lessee is legally responsible, neither Lessee nor any of its Affiliates will be liable or in any way responsible to Lessor for, and Lessor waives all claims against Lessee and its Affiliates for, any damage to or destruction of any Improvements, and Lessor waives its insurers' right of subrogation consistent with this waiver.

8.2 Lessee's Waiver. Except to the extent caused by the willful or negligent act or omission by Lessor or anyone for whom Lessor is legally responsible, neither Lessor nor any of its Affiliates will be liable or in any way responsible to Lessee for, and Lessee waives all claims against Lessor and its Affiliates for, any damage to or destruction of any Improvements, and Lessee waives its insurers' right of subrogation consistent with this waiver.

8.3 Lessor's Indemnity. Subject to Section 8.2 and except to the extent caused by the willful or negligent act or omission or breach of this Lease by Lessee or anyone for whom Lessee is legally responsible, Lessor will indemnify and hold Lessee harmless from and against any and all liability, loss, claims, demands, damages or expenses (including reasonable attorneys' fees) due to or arising out of any grossly negligent act by Lessor or anyone for whom Lessor is legally responsible.

8.4 Lessee's Indemnity. Subject to Section 8.1 and except to the extent caused by the willful or negligent act or omission or breach of this Lease by Lessor or anyone for whom Lessor is legally responsible, Lessee will indemnify and hold Lessor harmless from and against any and all liability, loss, claims, demands, damages or expenses (including reasonable attorneys' fees) due to or arising out of any accident or occurrence on or about the Premises during the Term (including, without limitation, accidents or occurrences resulting in injury,

death, property damage or theft) or any negligent act or omission by Lessee or anyone for whom Lessee is legally responsible.

8.5 Acquisition of Insurance Policies. Lessee shall, at its sole cost and expense, procure and maintain, or cause to be procured and maintained during the entire Term, the insurance described in this Section 8 (or if not available, then its available equivalent), issued by an insurance company or companies licensed to do business in the State of Montana that are reasonably satisfactory to Lessor.

8.6 Types of Required Insurance. Lessee shall procure and maintain, or cause one or more of its Sublessees to provide and keep in force and name Lessee as an additional insured, the following during the Term:

(a) Liability Insurance. Comprehensive or commercial general liability insurance covering claims arising out of the ownership, operation, maintenance, condition or use of the Premises, for personal and bodily injury and death, and damage to others' property, with limits of not less than **\$X,000,000.00** for any one accident or occurrence. Lessor will be named as an additional insured in the policy providing such liability insurance, which will include cross liability and severability of interests clauses.

(b) Property Insurance. All risk fire and extended coverage insurance (including standard extended endorsement perils, leakage from fire protective devices and other water damage) covering loss or damage to the Improvements on a full replacement cost basis, excluding existing architectural and engineering fees, undamaged excavation, footings and foundations. The policy(ies) providing such property insurance will permit the release of Lessor from certain liability under Section 8.2. Some or all of such property coverage with respect to any Building or other Improvements subject to a Sublease may be maintained through self-insurance by the Sublessee, provided that in Lessee's reasonable judgment such Sublessee has sufficient financial capacity to self-insure such Building or Improvements.

(c) Workers' Compensation Insurance. Workers' compensation and employer's liability insurance (with limits satisfying applicable Laws) covering Lessee's employees, officers, agents and representatives.

8.7 Terms of Insurance. The policies required under Section 8.6 above, shall name Lessor as additional insured and Lessee shall provide promptly to Lessor certificates of insurance evidencing the policies obtained by Lessee hereunder as hereinafter described. Proof of insurance ("Proof") shall consist of either (a) an insurance binder or premium payment receipt, (b) a copy of the policy, or (c) an "ACORD 27 Evidence of Property Insurance" or "ACORD 25 Certificate of Liability Insurance," whichever is appropriate (or such other similar certificates), issued by Lessee's insurer with respect to each policy. If Lessee does not deliver the evidence required by the preceding sentence before taking possession of the Premises, then Lessee will deliver the same within 30 days after taking possession of the Premises. Thereafter, during the Term, within 30 days after the renewal date of each policy, the issuance of a new policy or on such other date as Lessor reasonably requires, Lessee will deliver a copy of the latest Proof to Lessor. Each policy of insurance will require the issuer of the insurance policy to give Lessor

30 days' advance written notice of the termination or modification of the policy. Further, all policies of insurance described in Section 8.6 above, shall:

(a) Be written as primary policies not contributing with and not in excess of coverage that Lessor may carry.

(b) Contain an endorsement providing that such insurance may not be materially changed, amended or canceled except after 30 days' prior written notice from insurance company to Lessor.

(c) Expressly provide that Lessor shall not be required to give notice of accidents or claims and that Lessor shall have no liability for premiums.

(d) Any deductibles must be approved to in writing by Lessor, provided that Lessor shall approve the same within 10 days of request using its commercially reasonable business judgment, which for purposes hereof, shall be measured by taking into consideration the opinions of three independent insurance companies having at least five years of experience insuring projects that are substantially similar to Lessee's project at the Premises.

9. DAMAGE OR DESTRUCTION.

(a) In the event of any substantial damage to or destruction of the Property or any improvements thereon from any causes whatever, Lessee shall promptly give written notice thereof to Lessor. Lessee shall promptly repair or restore the Property as nearly as possible to its condition immediately prior to such damage or destruction unless Lessor and Lessee mutually agree in writing that such repair and restoration is not feasible, in which event this Lease shall thereupon terminate. All such repair and restoration shall be performed in accordance with the requirements of Section 4 above. Lessee's duty to repair any damage or destruction of the Property or any improvements thereon shall not be conditioned upon the availability of any insurance proceeds, from Lessee's insurance, to Lessee from which the cost of repairs may be paid. Unless this Lease is so terminated by mutual agreement, there shall be no abatement or reduction in Rent during such repair and restoration. In the event Lessee is in default under the terms of this Lease at the time such damage or destruction occurs, Lessor may elect to terminate this Lease.

(b) In the event such damage or destruction occurs within the last ten (10) years of the term of this Lease, and if such damage or destruction cannot be substantially repaired within one hundred eighty (180) days, either Lessor or Lessee may elect by written notice to the other, within ninety (90) days after the date of such damage or destruction, to terminate this Lease. If neither Lessor nor Lessee elects to terminate this Lease, Lessee shall repair or restore the Property as nearly as possible to its condition immediately prior to such damage or destruction or construct thereon such other improvements as may be approved by Lessor subject to the provisions of Section 9(a) above. In the event Lessor or Lessee elects to terminate this Lease, the Term of this

Lease shall terminate one hundred twenty (120) days after the date of such damage or destruction.

10. CONDEMNATION.

10.1 Notice. If either Lessor or Lessee learns that all or any portion of the Premises has been or is proposed to be subjected to a Taking, such party will immediately notify the other of such Taking.

10.2 Termination Option on Substantial Taking. If a Substantial Taking occurs during the Term, Lessee may, at its option, terminate this Lease by giving notice to Lessor on or before 60 days after the Taking Date. In such event this Lease will terminate effective as of the Taking Date, Lessee will surrender the Premises according to Section 13 on or before 30 days after the date of Lessee's notice of termination and all Base Rent and other Rent will be apportioned to the Taking Date, except that Lessee will also pay Lessor for the reasonable value Lessee's occupancy of the Premises, if any, from the Taking Date until the date Lessee so surrenders possession.

10.3 Continuation of Lease. If a Taking occurs during the Term that is not a Substantial Taking, then this Lease will remain in full force and effect according to its terms, except that effective as of the Taking Date this Lease will terminate automatically as to the portion of the Premises that is the subject of such Taking with no reduction in Base Rent. If a Substantial Taking occurs but Lessee does not exercise its termination option according to Section 10.2, then this Lease will remain in full force and effect according to its terms, except that effective as of the Taking Date: (a) this Lease will terminate automatically as to the portion of the Premises that is the subject of such Taking; and (b) each payment of Base Rent due for any portion of the Term after the Taking Date will be reduced by subtracting from the amount that each such payment would otherwise have been required to be a percentage thereof equal to the percentage obtained by dividing the ground area of the portion of the Land that is the subject of such Taking by the ground area of all of the Land prior to such Taking.

10.4 Awards. If there is an award, compensation, damages or consideration paid or payable as a result of or in connection with any Taking or condemnation, the award will be allocated as follows: First, Lessee will be entitled to the current value of the Improvements, net of the value of the reversionary interest in favor of Lessor, as set forth in this Lease. Second, Lessee will be entitled to the net present value of the unexpired Term. Third, Lessor will be entitled to the value of the Land comprising the Premises (giving due effect to the Rent income in favor of Lessor hereunder, as if this Lease had not been terminated) and the value of Lessor's reversionary interest in the Improvements. Fourth, Lessee will be entitled to loss of fixtures that Lessee is entitled to remove pursuant to the terms hereof, to the extent it is a separate measure of damages in the condemnation award. Fifth, Lessor will be entitled to any other portion of the award not allocated pursuant to the foregoing provisions.

10.5 Settlement. Lessee and Lessor shall jointly negotiate with, litigate or enter into any settlement with any governmental or other condemning authority in connection with any Taking; provided, however, that the portion of the award attributable to the net of the value of the reversionary interest in favor of Lessor, shall be subject to Lessor's prior written approval.

Lessor and Lessee will fully cooperate in connection with any such negotiation, litigation or settlement, including, without limitation, the execution by Lessor and Lessee of any and all required documents or instruments.

11. ASSIGNMENT, SUBLETTING AND FINANCING.

11.1 Assignment. Throughout the Term, Lessee may from time to time, with Lessor's prior written consent, assign in whole or in part, to a qualified lessee, its interest under this Lease, such consent not to be unreasonably withheld.

11.2 Subletting. No sublease shall be legal until a copy thereof has been filed with the Lessor and approved by the Director of the Montana Department of Natural Resources and Conservation.

11.3 Financing.

- Lessee's Right to Encumber. Throughout the Term, Lessee may from time to time and without Lessor's consent execute and deliver one or more Leasehold Mortgages securing any indebtedness or other obligation of Lessee. Without limiting the generality of the foregoing, Lessee may execute and deliver Leasehold Mortgages to secure promissory notes evidencing construction, interim or permanent financing for the Premises or to secure Lessee's obligations under development, reimbursement or other agreements with governmental or quasi-governmental entities, utility companies or other third parties concerning matters such as sales or property tax abatement or rebate programs, public improvements or utilities. If any Leasehold Mortgagee or potential Leasehold Mortgagee requests that Lessor grant any express approvals with respect to its Leasehold Mortgage or execute and deliver any documents in connection therewith, Lessor will reasonably cooperate in granting such approvals and executing and delivering such documents, provided that in no event will Lessor be required to encumber or subordinate its reversionary interest in the Premises or to undertake any personal liability for the obligations of Lessee secured or to be secured by the Leasehold Mortgage.

- Qualified Mortgagees' Cure Rights. Prior to terminating this Lease or exercising any other right or remedy hereunder for a Default by Lessee, Lessor will give each Qualified Mortgagee notice of such Default by Lessee and afford it a period of 30 days after such notice is given in which to cure such Default by Lessee; provided, however, that (i) if such Default by Lessee is not a failure to pay Rent and is susceptible of cure by a Qualified Mortgagee but cannot reasonably be cured within such 30-day period, then so long as any Qualified Mortgagee commences a cure within such 30-day period (and notifies Lessor that it has done so), its cure period will be extended for as long as reasonably necessary for it to diligently pursue the cure to completion; (ii) if such Default by Lessee is not a failure to pay Rent and is susceptible of cure by a Qualified Mortgagee but cannot reasonably be cured until the Qualified Mortgagee obtains possession of the Premises, then so long as any Qualified Mortgagee commences to obtain possession of the Premises within such 30-day period (and notifies Lessor that it has done so), its cure period will be extended for as long as reasonably necessary for it to

obtain possession of the Premises and then promptly commence and thereafter diligently pursue the cure to completion.

- Prohibition Against Mutual Rescission. No mutual termination, cancellation or rescission of this Lease by Lessor and Lessee will be effective unless and until the same is approved in writing by each Qualified Mortgagee. All rights and remedies of the Qualified Mortgagee hereunder will be cumulative with, in addition to and non-exclusive of one another.

11.4 Assignment by Lessor. If Lessor sells or otherwise transfers the Land, or if Lessor assigns its interest in this Lease, such purchaser, transferee or assignee thereof shall be deemed to have assumed Lessor's obligations hereunder which arise on or after the date of sale or transfer, and Lessor shall thereupon be relieved of all liabilities hereunder accruing from and after the date of such transfer or assignment, but this Lease shall otherwise remain in full force and effect.

12. DISPUTE RESOLUTION.

12.1 Issues Subject to Administrative Hearing. Any controversy which shall arise between Lessor and Lessee regarding the provisions hereof, including any amount of insurance to be maintained by Lessee, the allocation of any condemnation award, the degree of damage or destruction suffered by the Premises, shall be resolved by an administrative contested case hearing before the Lessor under the Montana Administrative Procedures Act.

12.2 Advisor to Hearing Examiner. In the case of issues relating to the determination of values of real property, the Lessor's hearing examiner shall employ as an advisor, a real estate appraiser who has a professional designation as an "MAI" or "SREA," or a member of a similarly recognized professional organization with at least five (5) years experience with the type of real estate at issue, in the area in which the Property is located.

12.3 Administrative Hearing Procedure. All administrative hearings hereunder shall be conducted in the offices of the Lessor in Helena, Montana. The findings of fact, conclusions of law, and proposed decision of the hearing examiner shall be rendered within sixty (60) days of the completion of the hearing and submission of any briefs. Either party may file exceptions to the hearing examiner's findings, conclusions, and proposed decision with the Lessor's Director. The Lessee may, as permitted by the Lessor's administrative rules, petition for judicial review of the final administrative decision of the Lessor. Fees of the respective counsel engaged by the parties, and fees of expert witnesses or other witnesses called for the parties shall be paid by the respective party engaging such counsel or calling or engaging such witness.

13. LEASE EXPIRATION.

13.1 Condition at End of Lease. Upon vacating the Premises on the Expiration Date, Lessee shall leave the Premises in the state of repair and cleanliness required to be maintained by Lessee during the Term of this Lease and shall peaceably surrender the same to Lessor.

13.2 Lessee Shall Yield Premises. The Lessee shall upon the termination of this Lease peaceably yield up and surrender the possession of the land to the Lessor or its agents or to subsequent lessees or grantees for any cause.

13.3 Holding Over. Holding Over. Should the Lessee remain in possession of the Premises after the Expiration Date or termination without a written agreement providing for the same, Lessee will, at Lessor's option be deemed to be a tenant from month to month, at a monthly Base Rent, payable in advance, equal to 150% of monthly Base Rent payable during the last full "Lease Year" prior to the Expiration Date or termination of this Lease, and Lessee will be bound by all of the other terms, covenants and agreements of this Lease as the same may apply to a month-to-month tenancy.

14. LIENS AND ESTOPPEL CERTIFICATES.

14.1 Liens. Lessee will not allow to be recorded, filed, claimed or asserted against the Premises any mechanic's lien for supplies, machinery, tools, equipment, labor or material contracted for, by, through or under such party and furnished or used in connection with any construction, development, alteration, improvement, addition to, demolition of or repair to or maintenance of any Building or other Improvement, or any tax lien, judgment lien or other involuntary lien of any nature arising by, through or under such party, and if the Lessee causes or permits any such lien to be so recorded, filed, claimed or asserted, the Lessee will cause the same to be released or discharged within 90 days thereafter. If the Lessee defaults under the foregoing covenant, then the Lessor may cause any such claimed lien to be released of record by bonding or payment or any other means available. All sums paid and costs and expenses, including reasonable attorneys' fees, incurred by the Lessor in connection therewith, together with interest on all such sums at the Default Rate from the date incurred until paid, will be due and owing from the Lessee to the Lessor upon demand therefore. The provisions of this Section 14.1 are subject in all respects to those set forth in Section 14.2 below.

14.2 Lien Contests. If Lessee has a good faith dispute as to any lien for which Lessee is responsible according to Section 14.1 Lessee may contest the same by appropriate proceedings so long as Lessee bonds over the lien or deposits with Lessor security in an amount acceptable to Lessor (but in no event more than the amount required by applicable Laws) which may be used by Lessor to release such lien and pay interest and costs if Lessee's contest is abandoned or is unsuccessful. Upon final determination of any permitted contest, Lessee will immediately pay any judgment rendered and cause the lien to be released. So long as Lessee is acting in conformity with this Section 14.2, Lessor will have no right to exercise its remedies under Section 14.1.

14.3 Estoppel Certificates. Lessor and Lessee agree that at any time and from time to time (but on not less than 10 days' prior request by the other party), each party will execute, acknowledge and deliver to the other a certificate indicating any or all of the following: (a) the date on which the Term commenced and the date on which it is then scheduled to expire; (b) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect, as modified, and stating the date and nature of each modification); (c) the date, if any, through which Base Rent had been paid; (d) that no Default by Lessor or Default by Lessee exists which has not been cured, except as to defaults stated in such

certificate; (e) that the responding party has no existing defenses or set-offs to enforcement of this Lease, except as specifically stated in such certificate; and (f) such other matters as may be reasonably requested by the requesting party. Any such certificate may be relied upon by the requesting party and, if Lessor is the requesting party, by any prospective purchaser of Lessor's reversionary interest in the Premises, or if Lessee is the requesting party, by any or present or prospective Leasehold Mortgagee, Sublessee or assignee of Lessee's interest under this Lease.

15. DEFAULTS BY LESSEE AND LESSOR'S REMEDIES.

15.1 Defaults by Lessee. Each of the following events will constitute a "Default by Lessee" under this Lease:

(a) Failure to Pay Rent. Lessee fails to pay any Base Rent or any other Rent payable by Lessee under the terms of this Lease when due, and such failure continues for 10 days after written notice from Lessor to Lessee of such failure.

(b) Failure to Perform Other Obligations. Lessee breaches or fails to comply with any provision of this Lease applicable to Lessee other than a covenant to pay Rent, and such breach or noncompliance continues for a period of 30 days after written notice thereof from Lessor to Lessee; or, if such breach or noncompliance cannot be reasonably cured within such 30-day period, Lessee does not commence to cure such breach or noncompliance within such 30-day period and thereafter pursue such cure in good faith to completion. Any non-payment or failure to pay debts and financial obligations can be grounds to cancel this lease. Financial obligations include rental payments due to the Lessor, taxes, insurance, environmental bonding, utilities and others.

(c) Failure to Perform Other Obligations. Lessee breaches or fails to comply with any provision of this Lease applicable to Lessee other than a covenant to pay Rent, and such breach or noncompliance continues for a period of 30 days after written notice thereof from Lessor to Lessee; or, if such breach or noncompliance cannot be reasonably cured within such 30-day period, Lessee does not commence to cure such breach or noncompliance within such 30-day period and thereafter pursue such cure in good faith to completion.

(d) Execution and Attachment Against Lessee. Lessee's interest under this Lease or in the Premises is taken upon execution or by other process of law directed against Lessee, or is subject to any attachment by any creditor or claimant against Lessee and such attachment is not discharged or disposed of within 90 days after levy.

(e) Cancellation. The Lessor shall have the power and authority in its discretion to cancel a lease for any of the following causes: for fraud or misrepresentation, or for concealment of facts relating to its issue, which if known would have prevented its issue in the form or to the party issued; for using the land for other purposes than those authorized by the lease, and for any other reasonable cause which in the judgment of the Lessor makes the cancellation of the lease necessary in order to do justice to all parties concerned and to protect the interest of the state. Such cancellation shall not entitle the Lessee to any refund of rentals paid or exemption from the payment

of any rents, penalties or other compensation due the State. If any part of the lands or premises under this license are used or allowed or permitted to be used for any purpose contrary to the laws of this State, and of the United States, such unlawful use shall in the discretion of the Lessor constitute sufficient reason for the cancellation of the lease. Lease cancellation is subject to appeal as provided in Section 77-6-211, MCA.

15.2 Lessor's Remedies. Time is of the essence. If any Default by Lessee occurs, Lessor will have the right, at Lessor's election, then or at any later time, to exercise any one or more of the remedies described below. Exercise of any of such remedies will not prevent the concurrent or subsequent exercise of any other remedy provided for in this Lease or otherwise available to Lessor at law or in equity.

(a) Cure by Lessor. Where there is a Default by Lessee, Lessor may, at Lessor's option but without obligation to do so, and without releasing Lessee from any obligations under this Lease, make any payment or take any action as Lessor deems necessary or desirable to cure any Default by Lessee in such manner and to such extent as Lessor in good faith deems necessary or desirable, provided that, prior to making any such payment or taking any such action, Lessor notifies Lessee in writing of Lessor's intention to do so and affords Lessee at least 10 days in which to make such payment or take such action. Lessee will pay Lessor, upon written demand, all advances, costs and expenses of Lessor in connection with making any such payment or taking any such action, including reasonable attorney's fees, together with interest at the Default Rate, from the date of payment of any such advances, costs and expenses by Lessor.

(b) Termination of Lease. Where there is a Default by Lessee, Lessor may terminate this Lease, effective at such time as may be specified by written notice to Lessee, and demand (and, if such demand is refused, recover) possession of the Premises from Lessee. In such event, Lessor will be entitled to recover from Lessee such damages as are allowable by applicable Laws.

(c) Repossession and Reletting. Where there is a Default by Lessee, Lessor may reenter and take possession of all or any part of the Premises, without additional demand or notice, and repossess the same and expel Lessee and any party claiming by, through or under Lessee, and remove the effects of both using such force for such purposes as may be necessary, without being liable for prosecution for such action or being deemed guilty of any manner of trespass, and without prejudice to any remedies for arrears of Rent or right to bring any proceeding for breach of covenants or conditions. No such reentry or taking possession of the Premises by Lessor will be construed as an election by Lessor to terminate this Lease unless a notice of such intention is given to Lessee. No notice from Lessor or notice given under a forcible entry and detainer statute or similar Laws will constitute an election by Lessor to terminate this Lease unless such notice specifically so states. Lessor reserves the right, following any reentry or reletting, to exercise its right to terminate this Lease by giving Lessee such notice, in which event the Lease will terminate as specified in such notice. After recovering possession of the Premises, Lessor will use reasonable efforts to relet the Premises on commercially reasonable terms and conditions. Lessor may make such repairs, alterations or improvements as Lessor considers appropriate to accomplish such reletting, and Lessee

will reimburse Lessor upon demand for all reasonable costs and expenses, including reasonable attorneys' fees, which Lessor may incur in connection with such reletting. Lessor may collect and receive the rents for such reletting but Lessor will in no way be responsible or liable for any inability to relet the Premises or to collect any rent due upon such reletting. Regardless of Lessor's recovery of possession of the Premises, so long as this Lease is not terminated Lessee will continue to pay on the dates specified in this Lease, the Base Rent and other Rent which would be payable if such repossession had not occurred, less a credit for the net amounts, if any, actually received by Lessor through any reletting of the Premises.

(d) Receiver. To properly effectuate the recovery of damages and other sums owing from Lessee to Lessor hereunder following a Default by Lessee, Lessor, in conjunction with any dispossession proceeding commenced pursuant to this Lease may seek an appointment of a receiver by a court of competent jurisdiction to the extent provided for in and compliance with the requirements of Title 25, Chapter 14, Part 2 of the Montana Code Annotated and Rule 66 of the Montana Rules of Civil Procedure, as they may be amended. In no event will Lessor be obligated to post a bond in connection with the appointment of a receiver.

(e) Bankruptcy Relief. Nothing contained in this Lease will limit or prejudice Lessor's right to obtain adequate assurances of the Lessee's future performance under 11 USC Section 365 or other applicable laws, or any other legal rights, in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding.

16. DEFAULTS BY LESSOR AND LESSEE'S REMEDIES.

16.1 Defaults by Lessor. The following event will constitute a "Default by Lessor" under this Lease: Lessor breaches or fails to comply with any provision of this Lease applicable to Lessor, and such breach or noncompliance continues for a period of 30 days after notice thereof from Lessee to Lessor; or, if such breach or noncompliance cannot be reasonably cured within such 30-day period, Lessor does not commence to cure such breach or noncompliance within such 30-day period and does not thereafter pursue such cure in good faith to completion; provided, however, that any such cure period will terminate at such time, if ever, as the subject breach or failure to comply results in an actual or constructive eviction of Lessee.

16.2 Lessee's Remedies. Time is of the essence. If any Default by Lessor occurs, Lessee will have the right, at Lessee's election, then or at any later time, to exercise any one or more of the remedies described below. Exercise of any of such remedies will not prevent the concurrent or subsequent exercise of any other remedy provided for in this Lease or otherwise available to Lessee at law or in equity.

(a) Cure by Lessee. Lessee may, at Lessee's option but without obligation to do so, and without releasing Lessor from any obligations under this Lease, make any payment or take any action as Lessee deems necessary or desirable to cure any Default by Lessor in such manner and to such extent as Lessee in good faith deems necessary or desirable, provided that, prior to making any such payment or taking any such action, Lessee notifies Lessor of Lessee's intention to do so and affords Lessor at least 10 days in

which to make such payment or take such action. Lessor will pay Lessee, upon demand, all advances, costs and expenses of Lessee in connection with making any such payment or taking any such action, together with interest at the Default Rate, from the date of payment of any such advances, costs and expenses by Lessee.

(b) Damages. Regardless of whether this Lease is terminated, Lessee may commence and pursue any lawful action in a contested case proceeding before the Lessor under the Montana Administrative Procedures Act to recover such damages as may be allowable as a result of or in connection with the Default by Lessor.

17. MISCELLANEOUS.

17.1 Lease Reclamation and Marketing Fee. Lessee agrees to pay to Lessor the Fee of **\$10,000.00** in accordance with and if required by the provisions of this Lease as security for the full, faithful and timely performance of every provision of this Lease to be performed by Lessee. The Fee shall become immediately nonrefundable to Lessee. The Lessor may use the Fee for the removal and reclamation of the Lease Improvements upon the termination of the Lease, and also use the Fee to manage the Premises as appropriate for future uses and leasing, which may include marketing. The Lessor anticipates initiating the use of the Fee within two years of the lease termination.

17.2 Notices. All notices required or permitted under this Lease must be in writing and will only be deemed properly given and received (a) when actually given and received, if delivered in person to a party who acknowledges receipt in writing; or (b) one business day after deposit with a private courier or overnight delivery service, if such courier or service obtains a written acknowledgment of receipt; or (c) 10 business days after the date postmarked on the cover of any correspondence or notice when deposited in the United States mails, certified – return receipt requested, with postage prepaid. All such notices must be transmitted by one of the methods described above to the party to receive the notice at, in the case of notices to Lessor, Lessor's Address, in the case of notices to Lessee, Lessee's Address, and in the case of notices to a Qualified Mortgagee, the address set forth as its notice address in its most recent notice to Lessor, or, in any case, at such other address(es) as Lessor, Lessee or a Qualified Mortgagee may notify the others of according to this Section 17.2.

17.3 Binding Effect. Each of the provisions of this Lease will extend to bind or inure to the benefit of, as the case may be, Lessor and Lessee, and their respective heirs, successors and assigns.

17.4 Modifications. This instrument contains the entire agreement between the parties, and no statement, promises or inducements made by either party, or agents of either party, which are not contained in this Lease shall be valid or binding and this Lease may not be enlarged, modified or altered except as provided in this Lease or unless signed by the parties. If executed properly under this section, modifications of this Lease do not need independent consideration to be legally enforceable.

17.5 Enforcement Expenses. Regardless of any statutory rights, each party agrees to bear their own costs, charges and expenses, including the fees and out-of-pocket expenses of

attorneys, agents and others retained, incurred in successfully enforcing the other party's obligations under this Lease.

17.6 No Waiver. No waiver of any provision of this Lease will be implied by any failure of either party to enforce any remedy upon the violation of such provision, even if such violation is continued or repeated subsequently. No express waiver will affect any provision other than the one specified in such waiver, and that only for the time and in the manner specifically stated.

17.7 Memorandum Notice of Lease. Upon the request of either party, Lessor and Lessee will, in form satisfactory to Lessor and Lessee, cause to be prepared and will execute, acknowledge and deliver a short memorandum notice of this Lease in recordable form which either party may record in the real property records of the county in which the Premises are located to give constructive notice of the existence of this Lease. The terms and conditions of this Lease are controlling over any memorandum notice later prepared by the Lessor and Lessee.

17.8 Captions. The captions of sections are for convenience of reference only and will not be deemed to limit, construe, affect or alter the meaning of such sections.

17.9 Severability. If any provision of this Lease is declared void or unenforceable by a final judicial or administrative order, this Lease will continue in full force and effect, except that the void or unenforceable provision will be deemed deleted and replaced with a provision as similar in terms to such void or unenforceable provision as may be possible and be valid and enforceable.

17.10 Waiver of Jury Trial. Lessor and Lessee waive trial by jury in any action, proceeding or counterclaim brought by Lessor or Lessee against the other with respect to any matter arising out of or in connection with this Lease, Lessee's use and occupancy of the Premises, or the relationship of Lessor and Lessee.

17.11 Authority to Bind. The individuals signing this Lease on behalf of Lessor and Lessee represent and warrant that they are empowered and duly authorized to bind Lessor or Lessee, as the case may be, to this Lease according to its terms.

17.12 Only Lessor/Lessee Relationship. Lessor and Lessee agree that neither any provision of this Lease nor any act of the parties will be deemed to create any relationship between Lessor and Lessee other than the relationship of Lessor and Lessee.

17.13 Reservation of Oil, Gas, and Minerals. Lessor expressly excepts and reserves from this Lease all rights to all oil, gas and other minerals in, on or under the Land and that might be produced or mined from the Land; provided, however, that no drilling, mining or other surface disturbance will be undertaken on the surface of this lease, nor shall the Lessor interfere with the Lessee's right to subjacent support, during the Term of this Lease.

17.14 Reasonableness. At any time during this Lease, if Lessee is to use reasonable judgment, it shall be deemed to mean ordinary business judgment.

17.15 Governing Law; Venue and Jurisdiction. This Lease will be governed by and construed according to the laws of the State of Montana. Venue and jurisdiction for any dispute arising under this Lease shall be before the Lessor as a contested case proceeding under the Montana Administrative Procedures Act in Lewis and Clark County.

17.16 Time of Essence. Time is expressly declared to be of the essence of this Lease and each and every covenant of Lessee hereunder.

17.17 Broker. Lessor and Lessee represent and warrant that no broker or agent negotiated, or was instrumental in negotiating or consummating this Lease (the "Brokers"). Neither party knows of any other real estate broker or agent who is or might be entitled to a commission or compensation in connection with this Lease. Lessor and Lessee will pay all fees, commissions or other compensation payable to the Brokers pursuant to a separate agreement entered into by Lessor and Lessee. Lessee and Lessor will indemnify and hold each other harmless from all damages paid or incurred by the other resulting from any claims asserted against either party by brokers or agents claiming through the other party.

17.18 Lessor May Inspect Premises. Representatives of the Lessor shall, upon 24 hours notice to the Lessee, have the right to enter and upon the premises and all buildings and structures thereon and all parts thereof for the purpose of inspecting and examining the same.

Having read and intending to be bound by the terms and provisions of this Lease, Lessor and Lessee have signed it as of the date first set forth above.
